Happy New Year! 2018

Welcome back and Happy New Year!! I hope everyone had a wonderful and relaxing time with family and friends.

I hope we are all well rested to begin this new school year. We will begin with some initial back-from-break assessments through district-wide TRC and Dibels assessments.

Please make sure your child is getting plenty of rest for these mid-year tests.

Also, please remember that attendance is critical to your child's academic, social, and emotional successes. Please make sure he or she is here every day (unless he or she is sick or there is an emergency). Your child must be sent to school with a note from a guardian or doctor.

Please be mindful of the schedules and calendars sent home. As a reminder, there is NO SCHOOL Jan. 15 for

MLK Jr. Day (next Monday).

Check your child's backpack for any important information or papers that need to be signed.

As always, please feel free to contact me at any time!

Let's continue to have a great year! Thank you for all that you do!

Prepare Your Child for Productive Days By:

- Eating healthy meals and snacks
- Getting to bed early
- Reading to someone every day
- Activating their critical thinking by asking 'why' and 'how' questions
- Designating a homework spot at home and competing homework there after school every day
- Encouraging him/her to do their best every day
